NOTICE TO CONTRIBUTORS

This is a regular journal published by Faculty of Vet. Med. Suez Canal University and is concerned with the publication of research papers in the field of veterinary sciences and related subjects.

The annual volume includes two numbers (**ISSUES**) published in June and December.

Manuscripts should be signed by the author or authors concerned and sent to Editorial Secretary. All the manuscripts are peer reviewed. However, the authors alone are responsible about all data and views they expressed.

Instruction for preparation of manuscripts:

Paper should be sent in type-written on one side of the paper only with double spacing and wide margins. Papers should be concise as possible and provided with a brief abstract, on a CD.R.

Illustrations (photographs, line drawings, graphs and tables) should be kept to the minimum. Details of results presented in this way should not be repeated in the text. Line drawings, maps, graphs and tables should be approximately final size. Pronouns such as I, my, We, our, should not be used, thus my or our results should be the present results.

References should be listed without numeration at the end of the papers and arranged in an alphabetical order authors including:

(i) author or authors names and initials, (ii) year of publication, (iii) full title of paper, (iv) title of journal, (v) volume no., (vi) Issue no., (vii) First and last pages numbers.

Title of journals cited are to be abbreviated in the world list of scientific journals.

The abbreviations throughout the text and tables should conform to standard international unit as far as possible.

Authors will be supplied with 10 cover reprints free of charge and requests for additional reprints at the author's expense should be sent to the Editorial secretary together with manuscript.

Cost :-

The first 10 pages 200 L.E plus 20 L.E for each extra page + 80 L.E for reviewers (Judgement).
