

Department of Cytology and Histology
Faculty of Veterinary Medicine
Suez Canal University

C.V

Name	Seham Abbas Helmy Ibrahim Keda
Present Professional Position	professor of Cytology and Histology, Faculty of Veterinary Medicine, Suez Canal University, Egypt.
Tel.	Mobile 00966546493145 (KSA)
E-mail	mohamedtalaat25@yahoo.com sfydh@ub.edu.sa
Nationality	Egyptian.
Date of birth	23/7/1974
Place of birth	Algeria
-Permanent address	- Department of Cytology and Histology, Faculty of Veterinary Medicine, Suez Canal University, Ismailia, Egypt.
-Current address	- Female Collage of Applied Medical Sciences Bisha University, KSA .
Qualifications	- B.V.Sc. May 1996 from Faculty Of Veterinary Medicine , Suez Canal University - M .V.Sc. 31 / 3/ 2001 from Faculty Of Veterinary Medicine Suez Canal University - Ph.D. 6 / 2 / 2005 from Faculty Of Veterinary Medicine, Suez Canal University
	
Field of specialization	Cytology and Histology
Professional Experience	- Assistant professor in cytology and Histology Department, Faculty of Veterinary Medicine, Suez Canal University, 11/ 2012. - Assistant professor Female Collage of Applied Medical Sciences Bisha University, KSA ., till now. - Lecturer in cytology and Histology Department, Faculty of Veterinary Medicine , Suez Canal University, 3/5/ 2005. - Assistant Lecturer in cytology and histology Department , Faculty of Veterinary Medicine, Suez Canal University, 5/5/2001.

-Title of master thesis

-Histological structure of the ovarian oocyt in she camel

-Title Of doctorate thesis

-Histological And Histochemical Studies On The Gastrointestinal Mucosa Of The Ostrich (Struthio Camelus).

Publications

1- Histological And Histochemical Studies On The Oviduct Of The Laying And Non Laying Goose. 32th Annual conferences of the Egyptian society of Histology & Cytology. December (2008).

2- Distribution of the Ghrelin Hormone Producing Cells in the Gastro-intestinal Tract of Some Birds (Immunohistochemical Study). African journal of veterinary anatomy. Vol.1 No.1 October (2008).

Share in: The 1st Scientific Symposium Of Zoology Department [Recent Advances In Biological Sciences] In 27 July 2016, Suez Canal Universty Egypt.

3- Cytological And Histochemical Studies In Rat Liver And Pancreas During Progression Of Streptozotocin Induced Diabetes And Possible Protection Using Certain Natural Antioxidants. The Egyptian Journal of Hospital Medicine (July 2012) Vol., 48: 452– 471.

Share in: 10th annual scientific day of king Khalid Unv. KSA , Abha, (2014).

4- Pathological and ultrastructural Studies On The Protective Effects and Its Relative Mechanisms of Low Dose Ionizing Radiation on Diabetic Male Rat's pancreas. The Egyptian Journal of Hospital Medicine (Oct 2012) Vol., 49: 521– 538.

Share in: The second scientific meeting of the health cadres Faculty of Applied Medical Sciences, Mahail Aseer, from 25-26 / 3/2015 and corresponding to 5-6 / 6 / 1436H .

5- Histological and Clinicopathological Studies Following Partial Hepatectomy in Dogs. African journal of veterinary anatomy. Vol.2 No.1 April (2009).

Share in: 9th annual scientific day of king Khalid Univ. May (2013).

6- Histopathological effect of frying oil on some organs of mice with using antioxidant\ anticarcinogenic diet. Annual conferences of the Egyptian society of Histology & Cytology. December (2008).

7- Histopathological study on the prophylactic effect of probiotics after intra-peritoneal injection with Ehrlich Ascites tumor cells in albino mice. Published in: Open Access Scientific Reports (OMICS Group) Volume 1 • Issue 11 • 2012 (1:531 doi:10.4172/ scientificreports.531) Available online at: Open Access Scientific Reports (<http://omicsonline.org/scientific-reports/2157-7099-SR-531.pdf>).

Share in: 8th annual scientific day of king Khalid Univ. May (2012).

8- Immunological and Histological Studies Following Partial Hepatectomy In Dogs. Suez canal veterinary medicine journal Vol.14 No.2 Distemper (2009).

Share in: The 1st Scientific Meeting Of Physiology Department, Faculty of Veterinary Medicine , Suez Canal University, (New Era In Biological Sciences) 13/3/2017.

9- Estrogenic Effect of Soy Phytoestrogens on the Uterus of Ovariectomized Female Rats. Clinical Pharmacology & Biopharmaceutics, 2014, S2 DOI: 10.4172/2167-065X.S2-001.

Share in: 9th annual scientific day of king Khalid Univ. KSA , Abha, (2013).

Share in: 158th OMICS Group Conference - Clinical pharmacology and Biopharmaceutics. November 18-20, 2013 Hilton San Antonio Airport Texas USA.

10- Ameliorating effects of green tea extract on cadmium induced reproductive injury in male Wistar rats with respect to androgen receptors and caspase- 3. Reproductive Biology 16 (2016) 300–308.

Share in: The 1st Scientific Symposium Of Zoology Department [Recent Advances In Biological Sciences] In 27 July 2016, Suez Canal Universty Egypt

11- Metformin enhancing the antitumor efficacy of carboplatin against Ehrlich solid carcinoma grown in diabetic mice: Effect on IGF-1 and tumoral expression of IGF-1 receptors. International Immunopharmacology 44 (2017) 72–86 ISSN: 1567-5769.

12- Neuroprotective effect of duloxetine in a mouse model of diabetic neuropathy: Role of glia suppressing mechanisms. Life Sciences Volume 205, 15 July, Pages 113-124.

13- Histological, Histochemical And Ultrastructure Studies On The Ostrich Pancreas (Struthio camelus). Egyptian Academic Journal of Biological Sciences. (D. Histology & Histochemistry). Egypt. Acad. J. Biolog. Sci., 10(1): 63 - 77 (2018). ISSN: 2090 – 0775.

14- **Immunomodulatory effect of dietary turmeric against aflatoxins in mice: Histological and immunohistochemical study.** Egyptian Academic Journal of Biological Sciences. D. Histology & Histochemistry **10(1): 79- 90 (2018)**

15- **Alleviation of Lead-Induced Immunotoxicity by Moringa oleifera in Albino Rats.** Egyptian Academic Journal of Biological Sciences 11(1): 1– 16. **Share in:** 2nd annual scientific day of University of Bisha (2019).

16- **Effect of Moringa leaves extract on some metabolic and biochemical alterations in induced Type 2 diabetes male albino rats.** Egypt. Acad. J. Biolog. Sci., 11(1): 33- 47 (2019). ISSN: 2090 – 0775.

17- **Influence of genistein and diadizine on regularity of estrous cycle in cyclic female Wistar rat: interaction with estradiol receptors and vascular endothelial growth factor.** Open Veterinary Journal., 12(5):639–648. October 2022.

Research activities:

1-Green tea extract attenuates CCl4-induced hepatic injury in male hamsters via inhibition of lipid peroxidation and p53-mediated apoptosis. Toxicology Reports 2 (2015) 1149–115.

Other scientific activities

1- Reviewer in a scientific journals:

Journal	Research
International Research Journal of Medicine and Medical Sciences	Effect of treadmill Exercise, Vitamin D and / or Vitamin K on Bone turnover in Ovariectomized Rats
African Journal Of Pharmacy And Pharmacology	Use of soy isoflavones on hormone replacement therapy and climacteric
African Journal Of Pharmacy And Pharmacology	Ameliorating effect of combination of simvastatin and residronate on glucocorticoid induced osteoporosis model in rats
African Journal Of Pharmacy And Pharmacology	Impact of liraglutide versus atorvastatin on cardiovascular changes in rat model

	of adenine induced chronic renal failure.
International Journal Of Nutrition And Metabolism.	Anti-Hyperglycemic Effect Of Cocoyam (Xanthosoma Sagittifolium) Corm In Alloxan-Induced Diabetic Albino Rats
International Journal Of Nutrition And Metabolism	Consumption of excessive sugary drinks could be a risk factor for the development of osteoporosis .

❖ I shared in research judgment in the fourth scientific conference for students in higher education, held in Makkah in the period from 19-22 / 6/1934 AH, corresponding to 4.29 to 5.2 / 2013 .

a. Histological study of the effects of formaldehyde inhalation on the ovary in female rats

b. A study of the human colonic mucosa at the cut-margin in cases diagnosed as colon cancer (A Histological and immunohistochemical study)

c. Is the ER and PR expression of normal breast Tissue taken in core biopsy different from that around resected carcinoma?

d. Protective Effect of Nigella Seed Oil Against Hepatotoxicity induced by combined administration of nicotine and caffeine in rats

e. Evaluation of some biochemical and hormonal constituents of follicles-like cysts and preovulatory follicles in camels (*Camelus dromedarius*).

f. The Protection Role of *Allium sativum* and *Curcuma longa* Against Testicular Histological Changes in Type1 Diabetes in Rat.

❖ I shared in research judgment in the fifth scientific conference for students in higher education 2014 .

a. Reliability And Acceptability Of Multiple Mini Interview For Selection Of Residents Into Internal Medicine Residency Training Program At King Abdulaziz

Medical City At Jeddah
b. Is There A Relationship Between Excessive Intake Of Analgesics And The Menstrual Cycle Disturbances Among My University Female Student?
c. Clinical And Biochemical Investigation of Mastitis In goats with precise orientation to ketosis relationship
d. Some Common Affections Causing Lameness In Arabian Horses
e. Management Of Exuberant Granulation Tissue (Proud Flesh) In hind Limb Wounds In Horses
f. Comparative Study On Wound Healing Improvement In Camels Using MEBO® And FURAZONE® Ointments
❖ I am active participation and arbitrator Research in the Sixth Scientific Conference for students in higher education, held in Jeddah from 03/30 to 04/02 / 2015.
a. Comparison of the sensitivity of different laboratory techniques used for diagnosis of Newcastle Disease virus in Eastern Saudi Arabia chicken farms.
b. Evaluation of broiler meat quality and biogenic amines determination.
c. Uterine microbiology and antimicrobial susceptibility in isolated bacteria from camels (<i>Camelus dromedarius</i>) with endometritis.
d. The diagnostic prominence of Serum amyloid A and cardiac troponin I in Arabian horses with obstructive colic.
e. Structural features of the parathyroid glands in dromedary camel.
f. Pathological studies of Various Levels of Dietary <i>Momordica Charantia</i> on Wistar Rats.
❖ I shared in the 7th scientific conference for students of higher education in Female College of Applied Medical Sciences, University of Bisha, Saudi Arabia 2016 .
❖ Reviewer in Journal of Advances in Animal and Veterinary Sciences, he research under the title “Immune And Growth Response Of Indigenous Pedi Goats Vaccinated With Blanthrax To An Inclusion Of <i>Moringa Oleifera</i>

(Drumstick Tree) In Cenchrus Ciliaris (Buffel Grass) Hay Based Diet” 26/1 / 2022.

❖ Reviewer in Journal of Advances in Animal and Veterinary Sciences, the research under the title (Effectiveness Of β -Lactoglobulin And Leptin Genes Variants On Goat Milk Traits). 2022-02-15.

2- Organization Membership:

- a. Member of the African Association of Veterinary Educators.
- b. Member of the Egyptian Society of Cytological And Histological Sciences.
- c. Member of the General Union of Veterinarians in Cairo.
- d. Member of the Ismailia Veterinarians Association.
- e. Permanent member of the quality unit in the Faculty of Veterinary Medicine Suez Canal University Ismailia - Egypt from 2006 – 2009.
- f. Membership of Shams the first level of the license of knowledge without limits (Rabah) of the National Center for e-Learning University of Peshah, Saudi Arabia.

3- Teaching Of Undergraduate

- Cytology and Histology (Theoretical and Practical) Faculty of Veterinary Medicine- Suez Canal University.
- Microbiology and animal zoology (Theoretical and Practical) Faculties Of Health Science King Khalid University KSA 2009.
- Embryology, cordata, cytology and animal zoology (Theoretical and Practical) Faculties of Science king Khalid university KSA from 2010-2012.
- Animal zoology, anatomy, physiology, biomedical science, pharmacology and epidemiology Female College of Applied Medical Sciences, University of Bisha, Saudi Arabia.

4- Methods Of Teaching:

- Learning through e-learning and curriculum development on the net supported with pictures and video using the **Black Board system**
- Courses taught using virtual classes (recorded lectures) - using Black Board Caliporate ultra.
- Use of electronic tests.

5- Experiences And Extracurricular Activities

- Preparing and reviewing course descriptions for the nursing program, College of Applied Medical Sciences, University of Bisha, Kingdom of Saudi Arabia 1444/5
- Internal reviewer for the nursing program report, College of Applied Medical Sciences, University of Bisha, Saudi Arabia 10/12/1444 AH
- Chairman of the Committee for the Description of Health and Sports Science Courses, College of Education, University of Bisha, Kingdom of Saudi Arabia 7/24/1444 AH
- Member of the Committee for the Preparation of the Bachelor of Sports Science and Physical Activity Program (female students). College of Education, University of Bisha, Kingdom of Saudi Arabia 1/6/1444 AH
- Coordinator of the Academic Advising in the Unified Medical Track, female college of applied medical sciences, university of bisha, Saudi Arabia. 1-5-1443H till now.
- Coordinator of the Scientific Research Committee. female college of applied medical sciences, university of bisha, Saudi Arabia.8-5-1435H till now.
- Member of the first level sun of the Knowledge Without Borders license (Rabeh), Of the National Center for e-Learning, Bisha University, Saudi Arabia. 1439H.
- Responsible for the unit of demonstrator and scholarship, female college of applied medical sciences, university of bisha, Saudi Arabia. 1437- 1438H.
- Member of the Examinations Committee, female college of applied medical sciences, university of bisha, Saudi Arabia. 1437- 1438H.
- Member of the Committee of Religious Activity female college of applied medical sciences, university of bisha, Saudi Arabia 1437- 1438H.
- Responsible for e-learning, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- President of the Scientific Research Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1433- 1434H
- Coordinator for Preparatory Year, female college of applied medical sciences, university of bisha, Saudi Arabia1433- 1434H
- Head of Scientific Activity Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1433- 1434H.
- Member of the Excuses Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- Member of the Laboratories Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.

- Member of the Tables Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- Member of the Curriculum Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H
- Member of the Vision and Mission Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- Member of the Quality Standards Committee, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- Coordinator of the preparatory year courses in the quality unit, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- Member of the Committee of Tests, female college of applied medical sciences, university of bisha, Saudi Arabia1434- 1435H.
- President of the Scientific Research Committee. Faculties of Science king Khalid university KSA. 1432-1433H.
- Work as an assistant to the coordinator of quality unit. Faculties of Science king Khalid university KSA. 1432-1433H.
- A permanent member of the quality unit. Faculty of Veterinary Medicine- Suez Canal University. 2006-2009.
- Member of the College Council. female college of applied medical sciences, university of bisha, Saudi Arabia, 1434- 1435H.
- Member of the Board of the Nursing Department, female college of applied medical sciences, university of bisha, Saudi Arabia, 1434H till now.
- Member of the Board of Biology Department. Faculties of Science king Khalid university KSA. 1431-1432H.
- Member of the Board of the Cytology And Histology Department. Faculty of Veterinary Medicine- Suez Canal University. 2004-2009.
- E-learning and distance education platforms course (Dr. Sherif Ahmed) - Deanship of Development and Quality - University of Bisha 25/8/1443 H.
- Managing the Grade Center in Blackboard - Deanship of Development and Quality - University of Bisha 17 /8/1443 H.
- Export, Import, Archive and Copy Courses on Blackboard - Deanship of Development and Quality - University of Bisha 25/8/1443 H.
- Job search skills - Deanship of Development and Quality - University of Bisha 19/8/1443 H.
- Climate changes, their impact on fish farming and its economic returns. Faculty of Veterinary Medicine, Suez Canal University, Animal health research - Egypt 19/ 5 /2022.

7- Scientific Conferences

- A Sharing member in the 30th Annual conference of the Egyptian society of Histology & Cytology. December (2006)
- A Sharing member in the 31th Annual conference of the Egyptian society of Histology & Cytology. December (2007)
- A Sharing member in the 32th Annual conference of the Egyptian society of Histology & Cytology. December (2008)
- A Sharing member in the 1st conference of the African Association of veterinary anatomists (17-18/2/2008)
- A Sharing member in the 30th Annual Scientific conference of the Egyptian Anatomical society (2006).
- A Sharing member in the 8th Annual Scientific Research Day Of King Khalid University KSA (2012).
- A Sharing member in the 9th Annual Scientific Research Day Of King Khalid University KSA (2013).
- A Sharing member in the 10th Annual Scientific Research Day Of King Khalid University KSA (2014).
- The second scientific meeting of health staff, female college of applied medical sciences, mahail Asser, Abha University 25-16 /3/2015.
- The 1st Scientific Symposium Of Zoology Department [Recent Advances In Biological Sciences] In 27 July 2016, Suez Canal Universty Egypt.
- The 1st Scientific Meeting Of Physiology Department, Faculty of Veterinary Medicine , Suez Canal University, (New Era In Biological Sciences) 13/3/2017.
- 158th OMICS Group Conference - Clinical pharmacology and Biopharmaceutics. November 18-20, 2013 Hilton San Antonio Airport Texas USA.
- The 2nd annual scientific day of University of Bisha (2019).
- The first virtual and second international scientific conference in obstetric and gynecological nursing 2021, Zagazig University, 1/6/2021.
- A Sharing member in the conference of organic chemistry in the National Research center – Cairo – Egypt. 18/1/2022.

8- Seminars:

- Seminar on activating the role of quality in the development of education at the Suez Canal University, Ismailia, Egypt 3.11.2008.
- Seminar presentation and discussion of the vision – mission - strategic objectives of the College at the Suez Canal University, Ismailia, Egypt 1.04.2008.
- Seminar on how to assess students' writing and model exam paper at Suez Canal University Ismailia on 12/02/2008.
- Seminar on Strategic Planning at the Suez Canal University, Ismailia, Egypt 29.12.2008.

- Seminar on the use of academic standards in writing and characterization decisions graduate programs at the University of Ismailia on the Suez Canal 2.25.2009.
- Attending a symposium entitled (How the Structure of the Brain Reflects Lifestyle) - The First Mental Health Forum in Bisha - Kingdom of Saudi Arabia - 10/11/2022 AD corresponding to 3/15/1444 AH.

9- Training Programs And Courses:

- Attend training program continued Deanship of Academic Development and Quality, in cooperation with the National Commission for Academic Accreditation and Assessment entitled (performance indicators and comparisons of reference) 16-17 / 4/1434 H and the headquarters of the King Khalid University, Saudi Arabia.
- Attend a training program entitled (to develop research capacity in the Kingdom: the formulation of the idea and management research) 3/05/2013- King Abdul Aziz City for Science and Technology Directorate General for granting Search-and that at King Khalid of Saudi Arabia.
- Attend a training course for (instructions for using the university on GMAIL) and on Monday, 9/07/1435 H Faculty of Applied Medical Sciences King Khalid University, Saudi Arabia.
- Attend continued Deanship of Academic Development and Quality, in cooperation with the National Commission for Academic Accreditation and training program entitled (mind maps) 23-24 / 6/1435 H, King Khalid University, Saudi Arabia - Abha.
- Attend the session (women's health between medicine and Shara) on Wednesday 30/5/1437 H Bisha University.
- Eversuite Correspondence Tracking System. King Khalid University, Saudi Arabia - Abha. 30/11/2013.
- End-Note training course through Virtual Classrooms presented by the Saudi Digital Library 10/12/2014 .
- How Successful People Think. Faculty of Applied Medical Sciences in Bisha in cooperation with the Center for Social Development in the province of Bisha 30/6/1436.
- Attend a training program entitled "Basics of Blackboard - Building and Effective for 12 hours of training, Faculty of Applied Medical Sciences, Bisha University 14-15 / 4 / 1437H.
- Attendance of a training program entitled Definition of quality standards (QM) in the design of electronic courses for (10) hours of training Faculty of Applied Medical Sciences Bisha University 18-19 / 7/1437 H.
- Attend a training program entitled Virtual Classes for 8 hours of training. Faculty of Applied Medical Sciences, Bisha University, 12/7/1437 H.

- Attendance of the electronic tests training program for (8) hours training Faculty of Applied Medical Sciences Bisha University 16/4/1437 H.
- Attendance training program Blackboard basics - Tools and duties for (12) hours training Faculty of Applied Medical Sciences Bisha University 27-29 / 2/1438 H.
- Attendance of a training program entitled Virtual Classrooms (Ultra) for (4) hours training Faculty of Applied Medical Sciences Bisha University 23/3/1438 H corresponding to 22/12/2016.
- Attend a training program entitled Designing interactive activities for 8 training hours. Faculty of Applied Medical Sciences Bisha University 12-13 / 3 / 1438H corresponding to 11-12 / 12/2016.
- Attendance of a training program entitled "Definition of quality standards (QM) for 10 hours of training, Faculty of Applied Medical Sciences, Bisha University 3-4 / 4 / 1438H corresponding to 1-2 / 1/2017.
- Google Apps for (4) hours training Faculty of Applied Medical Sciences Bisha University 16/5/1438 H corresponding to 13/2/2017.
- Design of electronic tests using Blackboard for (8) hours training Faculty of Applied Medical Sciences Bisha University 13-14 / 5 / 1439H.
- The first level of the knowledge license without limits (Rabah) The steps of the future teacher in the educational resources for a period of (20) training hours of the National Center for e-learning Bisha University, Saudi Arabia 4/2018.
- Design and construction of electronic educational objects ... Strategies and tools. King Abdul Aziz University in the program of joint training in the field of e-learning between Saudi universities 2/3/1440 H.
- Excellence in Academic Performance Deanship of Development and Quality University of Bisha 5/3/1440 H.
- Criteria for Judgment of Scientific Research Deanship of Development and Quality University of Bisha 18/7/1440 H.
- Effective academic guidance, Deanship of Development and Quality, University of Bisha, 4/4/1442 AH
- Leading research work teams, Deanship of Development and Quality, University of Bisha, 4/16/1442 AH
- Academic leadership in light of the 2030 vision, Deanship of Development and Quality, University of Bisha, 12/7/1442 AH
- Reviewing the self-study report and self-evaluation of the educational / academic program Deanship of Development and Quality, University of Bishah 7/17/1442 AH
- Leadership styles in educational institutions, Deanship of Development and Quality, University of Bisha, 7/19/1442 AH

- Review the report measuring the extent of investigation of learning outcomes for educational programs, Deanship of Development and Quality, University of Bisha, 24/7/1442 AH
- Scientific research skills and its basics from writing to publishing Deanship of Development and Quality, University of Bisha, 7/25/1442
- Reviewing the report of the main performance indicators for program accreditation for the undergraduate stage, Deanship of Development and Quality, University of Bishah 2/8/1442 AH
- Societal (institutional) values and the ethical code Deanship of Development and Quality, University of Bishah 4/8/1442 AH
- University values and ethical charter for faculty members, Deanship of Development and Quality, University of Bisha 8/10/1442 AH
- Small Projects Management Deanship of Development and Quality, University of Bisha, 11/8/1442 AH
- Preparation of achievement tests for faculty members. Preparation of cadres, Deanship of Development and Quality, University of Bisha, 8/18/1442 AH
- Measuring learning outcomes for academic courses and programs, Deanship of Development and Quality, University of Bisha (19/3/1443H).
- Humanitarian and International Law - Faculty Members - Deanship of Development and Quality, University of Bisha, 25/5/1443 H.
- Using the Blackboard platform - Deanship of Development and Quality - University of Bisha 4/8/1443 H.
- Preparing the course report - Deanship of Development and Quality - University of Bisha 5/8/1443 H.
- Attending the Homeland Forum without Addiction and the accompanying exhibition. Deanship of Student Affairs - University of Bisha - Kingdom of Saudi Arabia - on Sunday and Monday corresponding to 22-23/1/2023 AD.
- Attending the activities of the Saudi founding day. Deanship of Student Affairs - University of Bisha - Kingdom of Saudi Arabia - on Sunday 2/19/2023 AD.
- Attending the Homeland Forum without Addiction and the accompanying exhibition. Deanship of Student Affairs - Bisha University - Kingdom of Saudi Arabia - on Sunday 5/7/2023 AD

10- Workshops:

- Workshops on how to write a description and report of the decision of Suez Canal University 4/5/2008.
- How to convert courses to electronic courses Suez Canal University.
- The use of academic standards in writing the description of courses and graduate programs Suez Canal University 23/12/2008.
- (Epigenetics- you are what you eat) by prof. Amy Lossie, Burdo University, USA. (Omics past and future) by prof. Dina Elkheshin, AGERI, Egypt.
- Biotechnology Research Center Suez Canal University 8/3/2009.
- Biotechnology and how to isolate DNA Center for Biotechnology Research Suez Canal University 28-30 / 4/2009.
- The theoretical foundations of the evaluation of the centralization of education King Khalid University under the supervision of Umm Al-Qura University in Saudi Arabia 7-9 / 11/2009.
- Quality Assurance and Organizational and Program Evaluation King Khalid University, Saudi Arabia, 27/1/2013.
- Design of electronic courses in accordance with quality standards King Khalid University, University Branch, Bbeisha Saudi Arabia 26-27 /5/1434 H.
- Active Learning King Khalid University, Kingdom of Saudi Arabia, represented by the Deanship of Academic Development and Quality 28-29/5/ 1434H.
- SPSS College of Applied Medical Sciences King Khalid University Bisha Saudi Arabia 10/2013.
- Cooperative Learning College of Applied Medical Sciences King Khalid University Bisha Saudi Arabia 11/2013 m.
- Course Description and Program College of Applied Medical Sciences King Khalid University Bisha Saudi Arabia 7-8 / 12/2013.
- Explore the content of Oxford Journals online. Virtual chapters submitted by the Digital Library of Saudi Arabia 22/4/1431 AH corresponding to 3/7/1436H
- Cambridge Journals Online. Virtual chapters submitted by the Saudi Digital Library 28/4/1445H.
- A certificate in the basics of digital shopping after completing all the courses of the program and passing the test -14/10/2022 The Open University - signed by the President of Google in Europe and the Middle East, as well as chief executive officer for IAB Europe.
- Attending a lecture promoting the values of integrity and combating corruption in the work environment. University of Bisha - Kingdom of Saudi Arabia - on Tuesday 12/20/2022 AD.

11- Courses Of The Project Of Developing The Capacity Of Faculty Members And Private Leaders At Suez Canal University - Ismailia - Egypt.

- pass the course teacher preparation 9-13 / 9/2001 .
- pass a course on teaching evaluation 21- 03/23/2006
- pass a course on ethics and professional ethics 14-16 / 3/2006
- pass a course on the use of technology in teaching 17-20 / 4/2006
- pass a course on program quality assurance and accreditation 17-18 / 5/2006
- pass a course on modern trends in teaching 10-12 / 4/2007
- pass a course on communication skills Alfal.18-22 / 4/2007
- Passing cycle management research team 22-23 / 6/2014
- Passing cycle Effective Presentation Skills 24-25 / 6/2014 A
- Passing cycle of International Scientific Publications 26-28 / 6/2014
- Passing cycle research ethics Alalma8-9 / 7/2014
- pass a training program for the Advanced path which contains using computers & managing files on 07.22.2014 .
- pass a training program for the Advanced path which contains the Concept of IT 2010 on 07/24/2014.

12- Courses And Lectures In The Field Of Human Recourses:

- Training course (TOT) in the excellence of the hall of the Foundation of the Oyoun Al Ghad and AlShafi Center by 24 hours April 2018.
- The art of writing biography and passing the personal interview Ibdah Academy for Training and Human Recourses under the auspices of the International Parliament for Human Recourses Scientists 21/11/2017.
- The Art of Personal Planning, League of Arab Nations, 23/12/2017.
- The Energy of Emotions Arab League 24/12/2017.
- Creativity Arab League, 28/12/2017.
- Body Language International Foundation for Human Recourses and Consultation 31/12/2017.
- Post Traumatic Stress Disorder. Arab League 9/1/2018.
- The three filters of the International Foundation for Human Development and Consultation 30/1/2018.

13- A Certificate Of Appreciation:

- A certificate of thanks and appreciation from the Dean of the Faculty of Health Sciences for Girls door King Khalid University in Saudi Arabia for the efforts made college and good performance in 1430-1431 AH
- A certificate of thanks and appreciation from members of the Department of Foundation Year Faculty of Health Sciences for Girls door King Khalid University, Saudi Arabia in 1430-1431 AH
