.Finished in 1987

٤ - Master Thesis in Vet. Med. (Meat Hygiene) for Ms. Amal Ahmed Mohammed under The Title: Incidence of staphylococcus aureus in meat offal’s which consumed in Assiut”Finished in 1987

٥ -- Master in Vet. Med (Meat Hygiene) for Mr. Mohamed Hasan El-Tabeey under the Title:”Studies on Microbiological status of some meat products and fish which has been imported

.Finished in 1992

**Master Thesis in Vet. Med (Meat Hygiene) for Mr. Ahmed -٦
Mohamed Ibrahim under the Title:” Incidence of Salmonella in
imported frozen meat**

.Finished in 1992“

**Master Thesis in Vet. Med. (Meat Hygiene) for Mr. Ali Meawad -٧
Ahmad under the Title: “Studies on the proteolytic and lipolytic
.microorganisms in some meat products**

.Finished in 1993

**Ph.D. Thesis Vet. Med. (Meat Hygiene) for Mr. Refaat M. Fargaly -٨
under the Title:“Incidence and significance importance of toxic
.Aspergillus in meat and meat Products**

.Finished in 1993

**Ph.D Thesis in Vet. Med.(Meat Hygiene) for Ms. Mona Mohammed -٩
under the title:“Studies on the sanitary status of fishes caught by illegal
.fishing**

.Finished in 1993”

**Master Thesis in Vet. Med.(Meat Hygiene) for Takwa Hussien -١٠
under the title“Studies on the Microbiological quality of Molluscs in
.Suez Canal Area**

.Finished in 1994”

**Master Thesis in Vet. Med.(Forensic Medicine) for Mr.Aiman -١١
Kamal under the title: “Studies on the occurrence of Aflatoxins in
.animals and animal rations**

.Finished in 1994”

**Master Thesis in Vet. Med. (Milk Hygiene) for .Ahmed Hassan Ali -١٢
under the title:“Subclinical Mastitis in animals and their public health
importance**

.Finished in 1994”

**Master Thesis in Vet. Med. (Meat Hygiene) for Reffaat Mohammed - ١٣
Salem under the Title :”Incidence and significance of some zoonotic
parasites in slaughtered animals in Ismailia Province
.Finished in 1995”.**

**Master Thesis in Vet. Med. (Milk Hygiene) for Ferginat - ١٤
Mohammed under the Title: “Studies on the incidence of
Enterobacteriaceae in market milk in Ismailia Province and its
”.relation to public health
.Finished in 1995**

**Master Thesis in Vet. Med.(Meat Hygiene) for Mr.Abdelmeneem - ١٥
Mohammed Khtaab under the title:” Significance importance of some
blood and muscles components on meat quality
.Finished in 1995”**

**Master Thesis in Vet Med.(Meat Hygiene)for Mr. Hassan El-said - ١٦
Farag under the title:“Some studies on chemical and microbiological
.status on Canned Meat
.Finished in 1995”**

**Master Thesis in Vet. Med. (Meat Hygiene) for Ms. Soad Ahmed - ١٧
soliman under the title: “Studies on the significant occurrence of yeast
.in some meat products
.Finished in 1995”**

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Ali M Ahmed under - ١٨
the title: “Control proteolytic and lipolytic Bacteria in comminuted
.meat
.Finished in 1997”**

**Ph.D. Thesis in Vet. Med (Poultry disease) for Mr.Fathy Ahmed -١٩
EL-Tohamy under the Title: “Studies on Adenovirus infection in
.”poultry**

Finished in 1997

**Ph. D Thesis in Vet. Med.(Meat Hygiene) For Mr. Mohab Rasched -٢٠
under the Title:“Studies on the significance importance of aerobic
sporforming organisms in some meat products with special reference
.to Bacillus cereus**

Finished in 1997”

**Master Thesis in Vet. Med. (Meat Hygiene) for Ms. Nashwa -٢١
Mahmoud Ismaiel under the Title: ”Some mycological studies on
.meat cold stores**

.Finished in 1997”

**Master Thesis in Vet. Med. (Meat Hygiene) for Ms. Salwa -٢٢
Mahmoud Abdou Salem under the Title of : Studies on drug residues
.in poultry meat**

Finished in 1998

**Master Thesis in Vet. Med.(Meat Hygiene) for Ms. Taghreed El--٢٣
said under the Title: “Qualitative and Quantitative Studies on some
.mycotoxine in meat products**

.Finished in 1998”

**Ph. D Thesis in Vet Med. (Meat Hygiene) for Ms. Takwa Hussein -٢٤
Ismail under the Title: “Studies on fitness of fish for human
.consumption**

.Finished in 1999”

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Mr. El saied Salah -٢٥
Shabana under the Title of: Studies on mycotoxins residues in some
.edible by products .Finished in 1999**

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Mr. Mohammed -٢٦
hassan El-Tabee. Qualitative and qualitative studies of mould in spices
.in relation to meat hygiene**

.Finished in 2000

**Master Thesis in Vet. Med.(Meat Hygiene) for Mr. Mohy El-Dine -٢٧
Ali Ali Mohsen under the title of Studies on quality and public health
.hazard of imported frozen liver**

Finished 2000

**Ph.D. Thesis in Vet. Med.(Meat Hygiene) for Ms. Nashwa -٢٨
Mahmoud Esmail under the of studies on shelf life and consumer
. acceptability of imported frozen meat and meat Products**

Finished 2000

**Ph.D. Thesis in Vet. Med.(Meat Hygiene)for Ms. Soad Ahmed -٢٩
Soliman under the Title of “ Control of proteolytice and lipolytic
. ” yeast in some meat products**

Finished 2000

**Master Thesis n Vet. Med. (Meat Hygiene) for Mr. Said Kamal -٣٠
Abolghait**

**Under the title of: Significance of aeromonades in shellfish in relation
.to fish Hygiene**

Finished 2002

**Ph.D.Thesis in Vet. Med.(Meat Hygiene)for Ms. Maha Mohammed -٣١
under the Title: Studies on the quality of some meat products, which
.keep at room temperature**

Finished 2002

**Ph.D.Thesis in Vet. Med.(Meat Hygiene)for Ms. Taghreed Elsaid -٣٢
hafez under the title of: Mould decontamination in some meat
..products by natural mean**

Finished 2003

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٣٣
Mr. Mohammed Elsaid El-Harony. Under the Title of: Microbiological
.studies on Shrimp and its relation to public health importance**

Finished 2005

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٣٤
Mostafa abou elhamd under the title: Quality assurance of some
.imported meat products**

Finished 2004

**Ph D. Thesis in Vet. Med. (Meat Hygiene) for Mr. Mohy El-Dine -٣٥
Ali Ali Mohsen under the title: Study on the Microbiological Status
.of Slaughtered Quails**

Finished 2005

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٣٦
Abd Elazeem Elsayed Elhelaly under the title: Evaluation of the
.wholesomeness of broiler carcasses**

Finished in 2008

**Ph.D.Thesis in Vet. Med.(Meat Hygiene)for Mr. Mohammed saad -٣٧
Mohammed elharony under the title of: Studies on Biofilms formation
and their control on the food contact surfaces**

finished in 2010

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Ms. Amany Maamon -٣٨
Ahmed under the title of: Studies on the wholesomeness of frozen
chicken nuggets and strips**

finished in 2010

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٣٩
Esmail Mohammed for Esmail under the title of: Microbiological
. quality of Shawerma at fast food restaurants**

Finished 2010

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Ms. Salwa Mahmoud -٤٠
abdo under the title of: Studies on Arcobacter species as emerging
.meat borne pathogens and its control**

Finished in 9/7/2012

**Master Thesis in Pharmaceutical Science (Microbiology and -٤١
Immunology) for Ms / Rehab Emam Farhan under the title of:
H7 :٠١٥٧ و Molecular characterization of enterohemorrhagic E.coli
.isolated from food and human**

Finished in November 2014

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٤٢
Esam gamal Ahmed Rahal under the title of: Mycological studies of
chicken meat and their products**

Finished in 2013

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٤٣
Heba Mohamed Abd-Elal Mohamed abdoun under the title of:
Incidence of thermophilic microorganisms in poultry scalding tanks
.Register in 12/2010**

Finished2013

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٤٤
Mohamed Dahi Abd Elrahman under the title of: Microbiological
quality of smoked fish. Register in 12/2010 Finished 2015**

**Master Thesis in veterinary medical Science (Meat Hygiene) for -٤٥
Nancy samir under the title of: Improvement of the microbial quality
.of some imported seafood**

Register in 12/2010 Finished 2013

**Ph. D. Thesis in Vet. Med. Sc. (Meat Hygiene) for Esmail -٤٦
Mohammed Esmail under the title of: Quantitative Microbial
.Assessment of beef carcasses in imported cattle abattoir**

Register in 11/2011.Finished in January 16/1/2016

**Ph. D. Thesis in Vet. Med. Sci, (Meat Hygiene) for Ayman -٤٧
Mohamed haredi under the title of: Evaluation of HACCP system in
.the Egyptian hypermarkets**

Register in 11/2011Finished29/5/ 2016

**Ph.D. Thesis in Vet. Med. Sc. (Meat Hygiene) for Ahmed mohamed -٤٨
garhy zian under the Title of: Assessment of the emergency
slaughtered animals in Ismailia abattoir for their wholesomeness for
.human consumption**

Register in 15/5/2012 . Finished 2017

**Master Thesis in veterinary medical Science for Rana Mohamed -٤٩
Elsaied under the Title of: Studies on the microbiological quality of
. grilled fish**

Register in 11/2012- Finished 2015

**Master Thesis in veterinary medical Science for Ayman Ahmad -٥٠
Hamed makharita under the title of: Studies on the quality assurance
.of the imported frozen mackerel fish**

Finished 5/12/2015

**Ph.D. Thesis in Vet. Med. Sc. (Meat Hygiene) for Esam Gamal -٥١
Ahmed Rahal under the Title of: Quality and shelf life improvement of
.fish on board fishing vessels**

Registered 13/5/ 2013.Finished 27/7/2017

**Ph.D. Thesis in Vet. Med. Sc. (Meat Hygiene) for Moustafa Adawy -٥٢
Elsayed under the title of: Quantitative studies on the incidence of
.heavy metals and trace elements in edible offal's**

Finished 2016.

**Master Thesis in veterinary medical Science for Heba Mohamed -٥٣
Ali Shaheen under the Title of: Quantitative and qualitative studies on
-Enterobacteriaceae in ground beef**

Finished 2014

**Master Thesis in veterinary medical Science for Nada Ibrahim -٥٤
Hussein under the title of: Studies Incidence of Staphylococcus aureus
-in Meat Meals from some Governmental Hospital in Ismailia City**

Finished 2015

**Master Thesis in veterinary medical Science for Hisham Ahmed -٥٥
Mohamed Tolba under the title of: Studies on chemical and
-bacteriological quality of minimally processed chicken products**

Finished 2015

**Ph.D. Thesis in Vet. Med. (Meat Hygiene) for Heba Mohamed Ali -٥٦
Shaheen under the Title of: Effect of Plant Extracts on the
Microbiological Quality and Viability of Food Poisoning Organisms in
.Some Meat Product**

Registered 2014. Finished in 11.2018

**Master Thesis in veterinary medical Science for Enas Ibrahim -٥٧
Abdelaziz Eltantawy under the Title of: Prevalence of toxigenic fungi
in smoked fish. Registered at: April 2015-Finished 17/7/2017**

**Master Thesis in veterinary medical Science for Waleed Thabet -٥٨
Mahmoud Mohamed Elsharaway under the Title of: Prevalence of
.Sarcocystis in slaughtered animals in North Sinai**

Registered at April 2015-Finished. Jan.2018

**Master Thesis in veterinary medical Science (Meat Hygiene) .for -٥٩
Reem Mohamed Abdelfattah Abdelmageed under the title of: - Studies
.on the quality and safety of mandy meat meal**

Registered at: April 2015Finished Jun. 2018

**Master Thesis in veterinary medical Science for Sara Abdelmenem -٦٠
Ali Taha under the Title of: Studies on the parasitic affection in
slaughtered animals at Hurghada Abattoir**

Registered at: September 2015.Finished May 2018

**Master Thesis in veterinary medical Science for Manar Abdou -٦١
Abdalla Abdalla under the Title of: Studies on the bacteriological
.quality of fish in Manzala Lake**

Registered at: September 2015Finished nov.2018

**Master Thesis in veterinary medical Science for Basama saleh -٦٢
under the Title of: Incidence of Sporeforming bacteria in meat and
.poultry Bouillons and Consommés**

Registered 2016.Finished .July 2018

**Ph.DThesis in veterinary medical Science for Mohamed Reda -٦٣
Bedewy under the Title of; Studies on the quality and safety
improvement of the Egyptian salted fish (Fesiekh)**

.Registered 2016

**Ph.DThesis in veterinary medical Science for Samy Rashad -٦٤
Mohamed Ali under the Title o f" Quality Improvement of Traditional
"Egyptian Dried Sausage**

. Registered 18/10/2016

**Master Thesis in veterinary medical Science for Effat Maher -٦٥
Elsayed Ismaiel under the Title of : Evaluation of the Sensory
inspection of imported fresh fish for their quality assessment at arrival
.Air Port**

Registered 2017

**Master Thesis in veterinary medical Science for Eman Hasanien ٦٦
Hamza under the Title of: Studies on some abnormal changes in
,Broiler carcasses in a poultry slaughterhouse**

Registered 2017

**Master Thesis in veterinary medical Science for Sameh Mahmoud - ٦٧
Abdesalam Elnagdy under the Title of: Assessment of quality and
.safety of cultured fish**

Registered 2017

**Master Thesis in veterinary medical Science for Sama Mahmoud - ٦٨
Mohamed under the Title of: Quality Assessment of the emulsion
.type poultry meat products**

Registered 2017

**Ph.D Thesis in veterinary medical Science for Enas Ibrahim - ٦٩
Abdelaziz under the Title of: Evaluation of the harmful polycyclic
aromatic hydrocarbon residues and their risk assessment in grilled and
..smoked meat and fish**

.Registered 2017

**Master Thesis in veterinary medical Science for Israa Badr - ٧٠
Elsayed Soliman under the Title of: Studies on the Nutritive Values
and Chemical Quality of Different Commercial Grades of Oriental
Sausage**

.Registered 2018

**Master Thesis in veterinary medical Science for Nourhan Galal . ٧١
Elsayed Saleh under the Title of: Studies on the Bacteriological Profile
..and Safety of the Egyptian Mompar Sausage**

.Registered 2018

**Ph.D Thesis in veterinary medical Science for Fatma Atef - ٧٢
Mohamed Ahmed, under the Title of: Effect of Some Phytogetic
..Extracts on Shelflife and Safety of Oriental Sausage**

.Registered April 2018

**Ph.D Thesis in veterinary medical Science for Rana Mohamed -٧٣
Elsaied Ali Omar, under the Title of: Quality and Safety Improvement
.of Poultry Meat .Registered April 2018**

**Ph.D Thesis in veterinary medical Science for Basma Mohamed -٧٤
Saleh, under the Title of: Studies on the Hygienic Status and Safety in
..Meat Processing Environment**

.Registered April 2018

**Master Thesis in veterinary medical Science for Eman -٧٥
Abdelmageed Ali. under the Title of: Studies on the Major Cause of
Organs and Carcasses Condemnation of Small Ruminants at El-
Areesh Abattoir**

.Registered 2019

**Master Thesis in veterinary medical Science for Sheimaa Sabry -٧٦
Mohammed Elsadek under the title of :study on the prevalence of
postmortem condemnation of slaughtered Broiler Chicken in Damietta
.governorate**

.Registered April 2019
